

Valentines Night F.A.Q

Q - Does the Starter platter include everything listed?

A - Yes, many people think they have to choose, but everything is included, simply choose whether you want Meat, Fish, Vegetarian or Vegan versions!

Q - What if I want a different platter to my partner?

A - No problem! We can do 2 separate platters.

Q - I have mobility issues, can you accommodate me?

A - Yes, just mention when you book, we can seat you with no steps to negotiate.

Q - I have dietary requirements, can you adapt dishes for me?

A - Let us know what your dietary requirement is and we'll check with Chef. We usually can, please understand that with so many elements to this menu, it may not always be possible, depending on the allergy.

Q - I'd like a Beef Wellington, but my partner doesn't, is that OK?

A - No probs, don't forget to tell us as Beef Wellington need pre-ordering.

Q - Do you require a deposit?

A - Yes, a deposit of £25 per person is required, which will be deducted from your bill. Non-refundable unless we can resell your table.

Q - How quickly do I need to book?

A- Very quickly! We usually have the Barn & Marquee also, however this year, they are both already booked, therefore only the Restaurant is open for this Menu.

Q - What time can I book the table?

A - We have two sittings, the 1st sitting you can book 5.30 pm, 5.45 pm or 6 pm (just under 2 hours at the table, for you love birds that like to be snuggled up in front of the fire at home, for the last part of the evening!), and the second sitting is coming in between 8 pm and 9 pm, to stay as long as you like.
