

FAQ - ITALIAN NIGHT

Q - Can you cater for dietary Requirements?

A - Please understand that as this is a 7-course set menu, we can not cater to dietary requirements on this occasion, however, **we do have a vegetarian menu** you can pre-order from, please contact us for more details.

Q - We'd like to stay over, is that possible?

A - Oh what a perfect way end to your day! At the time of sending out this email, we do have rooms available, please be quick! The quickest way to book is online through our website, always cheaper than 3rd party websites! www.hundredhouse.co.uk

Q - Is the venue accessible for mobility issues?

A - Our 17th century Barn is **accessible for those with mobility issues** and we do also have an accessible **toilet in the barn** however, please do let us know in advance as some tables will be booked onto the gallery which is **not** accessible.

Q - Will there be another later in the year?

A - It's likely be the only one of the year, as we have other events planned for the future so we strongly recommend you come and join us on the 1st of June to be sure not to miss out!

Q - Are you dog friendly?

A - As much as we'd love to have your furry friends join, unfortunately, due to the barn being a very open environment rather than a more closed space like our restaurant, we will not be allowing dogs to attend at this event. We hope you understand this.

Q - How many people can I bring along?

A - Bring as many or as little as you like! Tickets are priced individually and we can accommodate up to tables of 10 (12 - 22 may be available, depending on the floor plan/availability at the time of booking).

If there are any further questions please feel free to give us a call on 01952 580240.
